Humber-talking has set our priorities, this month we are to:

1. Preventing Residential dwelling Burglaries.

This period is always one of our busiest, however, we would like to offer reassurance to residents and a stark reminder to those intent of causing harm or committing offences, that we are out in force and ready to act against anyone involved in vehicle crime.

Action - aims to:

- reduce burglary related crime.
- raise awareness within the local community about property security.
- provide crime prevention advice to community members.

Intended outcome:

The intended outcomes are to:

- reduce the number of recorded crimes related to Burglaries.
- enhance security measures to protect residents.

2. Improving Road Safety

Action – aims to:

- As we enter the spring months, members of the Holderness Policing Team will continue to be out and about policing our roads to promote safe behaviour and enforcement of traffic laws.
- Officers will continue to support Bilton Primary School to reduce traffic in the village and encourage families to walk or cycle to school.

Intended outcome:

The intended outcomes are to:

- Education & awareness campaigns to reduce the number of casualties on our roads.
- Create a culture of road safety where individuals understand and practices safe behaviours.

With the return of all children to our primary schools after the Easter Holiday, the Community Team will be conducting patrols around the schools making sure that the roads are safe for everyone especial for our young members outside the schools' gates.

How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in that area.

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.

SHEDUCATION

At this time of year when spring arrives and the clocks go forward, Burglaries of sheds and garages usually start growing! The police together with Neighbourhood Watch Groups are asking for your help. The value of property in sheds and garages is more than people think. Thieves are

Humberside Police

Serving our communities to make them safer and stronger

targeting them for power tools, cycles, and sports equipment. Hand tools are stolen and used to break into homes.

Let's weed out these thieves by getting some **sheducation!**

Secure the access to your shed or garage by locking gates and using thorny bushes.

Have you visibly marked the contents of your shed? Note of serial numbers, take photos.

External security lights which are activated by movement are a useful deterrent.

Doors of sheds require attention. Use strong hasp/staples and close shackled padlocks.

Use coach bolts or non-return screws to secure door hinges.

Chain cycles, mowers, ladders and tools to a strong anchorage point.

Alarms for sheds and garages are available for under £20 at most DIY stores.

Together we'll crack crime. Join a home watch scheme.

Exactly what insurance cover do you have? Check that your household policy covers you for theft from your garden and outbuildings.

Follow the Countryside Code

Humberside Police

Serving our communities to make them safer and stronger

We are working with the Natural England and NFU National Farming Union to promote respect in the countryside. This new look Countryside Code will help to engage with walkers and everyone who visits and enjoys our farmed environment, and it's important that people follow the simple rules and respect the countryside around them.

Your guide to enjoying parks and waterways, coast and countryside

Respect everyone

- be considerate to those living in, working in and enjoying the countryside
- leave gates and property as you find them
- do not block access to gateways or driveways when parking
- be nice, say hello, share the space
- follow local signs and keep to marked paths unless wider access is available

Protect the environment

- take your litter home - leave no trace of your visit
- take care with BBQs and do not light fires
- always keep dogs under control and in sight
- dog poo - bag it and bin it - any public waste bin will do
- care for nature - do not cause damage or disturbance

Enjoy the outdoors

- check your route and local conditions
- plan your adventure - know what to expect and what you can do
- enjoy your visit, have fun, make a memory

www.gov.uk/countryside-code

Follow advice and local signs

In some cases, additional higher rights of access or permissive access could exist.

Footpath	Bridleway
Restricted Byway	Byway open to all traffic

Permissive Path

Follow advice on local signs as landowners voluntarily provide access to these paths and choose who can use them. Some open access areas are also made available in the same way.

www.nationaltrail.co.uk

National Trail

National Trails are created for walking, with horse-riding and cycling possible on some trails or trail sections.

www.nationaltrail.co.uk

Open Access

You can walk and explore away from paths.

www.openaccess.naturalengland.org.uk

For further information visit www.gov.uk/countryside-code

Enjoy our countryside and make it safe for everyone.

Humberside Police

Serving our communities to make them safer and stronger

Calling all horse riders! Can you help us put the neigh in our neighbourhoods?

We have launched a new Community Safety Mounted Volunteer scheme across the rural communities across Hull and East Riding.

We're looking for volunteers who can actively promote crime prevention, share information, and report incidents of concern whilst on their regular hacks, helping our rural communities feel safer.

The aim is to provide reassurance to residents, promoting trust and confidence in the police whilst enhancing relationships between the police and the community. The mounted volunteers will actively promote crime prevention and share information and reported incidents of concern to help rural communities feel safer.

We will be running an information webinar on the scheme on Thursday 3 April at 7pm.

If you have any questions about the scheme, please contact the Community Safety Team and we will get back to you.
