Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in that area.

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.

Tips for protecting yourself online: #DontBeExposed

**BEWARE...**

People online may not be who they claim to be.

Show me how much you love chatting to me ;) xx

Better be worth it... xx

...

Criminals use false identities to obtain sexual material or money from you.

**#DontBeExposed**

If you are chatting to new people online:

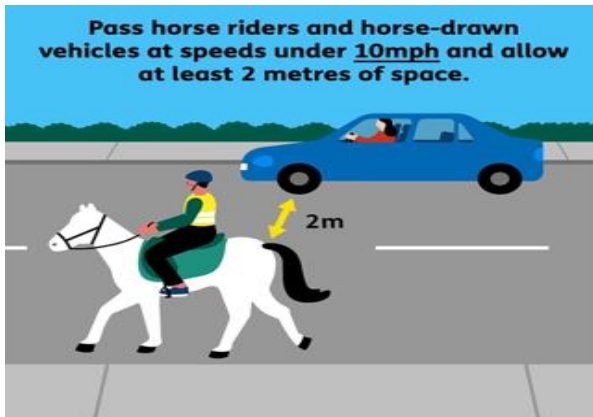

- Review your privacy settings. Criminals are less likely to target you if they can't see who your friends and family are.
- If you're not comfortable speaking to the person or being contacted by someone you don't know, end the chat quickly.
- If you have any doubts about the person or are worried you are being targeted, [report it](#).

## Overtaking when driving or cycling

You may cross a double-white line if necessary (provided the road is clear) to overtake someone cycling or riding a horse if they are travelling at 10 mph or less (Rule 129).

There is updated guidance on safe passing distances and speeds for people driving or riding a motorcycle when overtaking vulnerable road users, including:

- leaving at least 1.5 metres (5 feet) when overtaking people cycling at speeds of up to 30mph, and giving them more space when overtaking at higher speeds
- passing people riding horses or driving horse-drawn vehicles at speeds under 10 mph and allowing at least 2 metres (6.5 feet) of space
- allowing at least 2 metres (6.5 feet) of space and keeping to a low speed

when passing people walking in the road (for example, where there's no pavement)

- Wait behind them and do not overtake if it's unsafe or not possible to meet these clearances.

## On the school Run or having a day out with the family?

Remember, children must normally use a child car seat until they're 12 years old or 135 cm tall, whichever comes first, to keep them safe. Go to our friends at Good Egg Safety for more information

AS WE ENTER LAMBING SEASON, PLEASE DO AS WE DO...  
SHOW COURTESY AND RESPECT & KEEP YOUR DOG  
ON A LEAD WHILST IN THE COUNTRYSIDE TO PROTECT  
BOTH THEM & THE SHEEP.

THE STRESS OF BEING CHASED BY A DOG CAN CAUSE  
A SHEEP TO MISCARRY OR EVEN DIE.

'WORRYING LIVESTOCK' IS A CRIMINAL OFFENCE.

ENJOY YOUR LOCAL COUNTRYSIDE, BUT PLEASE  
KEEP YOUR DOG ON A LEAD & KEEP EVERYONE SAFE.

We are highlighting the dangers of dogs being walked off their leads, particularly during lambing season and are reminding everyone that sheep worrying is a criminal offence that can lead to fines of up to £1,000.

Every year, sheep and lambs are chased and sometimes killed by dogs that are let off their leads in rural areas. Large financial losses are often suffered by farmers as a result, and it leads to distressed and often aborted lambs.

*Enjoy our countryside and make it safe for everyone.*
